

We are committed to supporting your auto repair needs. To assist you, we are providing a comprehensive list of every auto body repair shop registered in your county. Massachusetts Law requires that all repair shops be registered. An insurance company cannot pay for any repair work done by an illegal unregistered shop.

\* Vermont Mutual Guaranteed Repair Network: Shops within our Vermont Mutual Guaranteed Repair Network are clearly marked with an asterisk (\*) and highlighted in "bold" for easy identification. These facilities have an agreement with us to perform repairs according to our written appraisal, less your applicable deductible. In addition, we guarantee the quality of repairs made by a Vermont Mutual Guaranteed Repair Network shop for as long as you own the vehicle.

Out-of-Network Shops: While we recommend our network shops for their excellent service and guaranteed quality, you are free to choose any registered repair shop from this list. We will do our best to negotiate with the registered repair shop you select, but we cannot guarantee that we will pay the difference between our payment plus your deductible and the amount the shop charges to repair your vehicle. Additionally, while non-network registered shops have posted a bond for creditor protection, we do not guarantee their repair quality, although they may offer their own warranties.

Total Loss and Non-Network Costs: If your vehicle is declared a total loss, we cannot promise the payment of all associated storage charges or other expenses at non-network repair shops.

Further Assistance: Should you require information on registered repair shops in other counties, we will provide that as well upon request.

\* Vermont Mutual Guaranteed Repair Network Shops are marked with an asterisk (\*) and highlighted in Bold
